

CORONAVIRUS ALERT

Precision Vision is committed to the health of our community. With the recent outbreak of Coronavirus we are taking extra measures to protect the health of our patients and employees. Your doctor and optical assistant may not shake your hand during your visit. Your doctor and optical assistant may wear a mask and gloves. You may notice fewer lobby chairs to maintain social distancing guidelines. These measures are intended to reduce the risk of virus transmission.

Please read carefully the following changes we have made to ensure your safety:

- Before entering our office, everyone will be screened, including temperature. Patients who do not pass screening will be asked to reschedule.
- We have hand sanitizer that we ask all patients to use when entering the office.
- Everyone is required to wear a mask to enter our office.
- Only one parent, guardian, or family member will be allowed to accompany a patient.
- No public restrooms will be provided.
